RANNSÓKNASETUR Á HORNAFIRÐI

<https://www.icelandicroots.com/post/torfhildur-h%C3%B3lm>

Torfhildur Hólm (1845-1918), poet and author, lived at Icelandic River in New Iceland from 1876 to 1881. During this time she collected folklore and stories of the supernatural from settlers in the area, material later published after her return to Iceland. She also authored several novels and edited periodicals. This photograph was taken in Winnipeg, c 1885.
